(College/University) (Major or Area of Study) (Overall GPA)

To qualify, an applicant must be a full-time student (at least 12 credit hours per semester) enrolled in architecture; architectural, structural, or civil engineering; construction management; building sciences or other related areas of study. Up to 25 students are eligible to receive this funding. No more than three students from the same university may be selected and priority is given to first-time recipients.

The sponsorship includes IIBEC Building Enclosure Symposium (BES) registration, two nights lodging (double occupancy) at the symposium hotel, stipend for meals that are not covered, cost of travel up to $750 USD (receipts required), and a one-year IIBEC student membership (a $185 value).

As a sponsorship recipient, you will be expected to:
•Attend all educational presentations and devote a minimum of one hour to the vendor exhibit area.
•Interact informally with assigned student host, IIBEC members and staff during the BES.
•Participate in marketing efforts by sharing your experience at the BES and the knowledge gained.

1. Please attach a current letter of recommendation from a professor or instructor.
2. Include an essay explaining your interest in your field of study and what you hope to gain by attending the IIBEC Building Enclosure Symposium (limit 150 words).

Please check the box confirming that you are a full-time student: ☐

I confirm the information provided by me is accurate. I have read and agree to comply with the above requirements as a sponsorship recipient.
